

The Software Solution for Retail Puppy Sales

ezpet will revolutionize your pet store. Affordable, easy-to-use and web-based, **ezpet** will allow you create and organize pet sales information online. With no installation or special hardware required, **ezpet** is adaptable and easy to reach wherever you go! Created with puppy sales in mind, all **ezpet** requires is an internet connection. **ezpet** will help your new retail store break into the lucrative world of pet sales, or free your existing business from the burden of paperwork.

Easy to maintain. Keeping extensive paper files is inefficient. **ezpet** features advanced searching and reporting utilities to help you find pet data. **ezpet** keeps track of your customers and their pets, along with medical information and veterinary contacts. You can easily maintain worming, shots, and grooming reminders for all of your clients! Your store will become an invaluable resource for your customers.

Easy to start. **ezpet** facilitates your entry into the profitable world of pet sales by keeping accurate records. Detailed information on each animal includes microchip number, animal registry, current status, breeding information, unlimited comments, and customizable to-do lists. **ezpet** meets all FDA and local Animal Control record-keeping requirements.

Easy to access. Accessing **ezpet** is simple: go to the secure **ezpet** website and log in using a personalized username and password. No installation is required; all updates and upgrades are automatic.

Easy to use. With little training, your employees will be capable of creating puppy contracts and making sales. **ezpet**'s interface is as simple and accessible as browsing the Internet.

Easy to afford. **ezpet** pricing is based on the number of stores in your company. Full support and service for a single store begins as low as \$47 a month! Growing your pet business has never been simpler.

Easy to try. To try **ezpet** for yourself, visit www.ezpetsoftware.com and see all the exciting features **ezpet** has to offer. To arrange a trial account, call us at **(800) 728-7099**.
