

It's About Time

Get the ultimate employee time tracking solution for your business. **ezpunch** will allow you to track and get instant reports on your employees' scheduled work hours. With its secure web-based interface, you can manage your employees' hours from anywhere in the world while restricting employee access from outside the workplace.

With nothing to install on your computer, you can access **ezpunch** from anywhere. Don't let the need to track your employees' times tether you to the office: break free with **ezpunch**. You'll be able to generate activity reports from anywhere instantly.

Easy to Access. **ezpunch** is a straightforward, robust web-based program that uses the internet to track your employees' hours and earnings. Access to **ezpunch** can be as open or limited as you need with location controls to provide a secure and reliable time tracking environment.

Easy to Communicate. Take the fuss out of passing information onto your employees using **ezpunch**. Simply use **ezpunch** messaging to compose a note that can be read easily by your employees when they login to the system from a web browser. You can easily ensure that your employees will receive messages as they clock in and out, facilitating communication in your store.

Easy to Manage. **ezpunch** makes it easy to manage your employees' hours by viewing several reports: online employees, employee lists, clock in/out history and earnings, and modified times. You can also review hours, make modifications and document them effortlessly.

Easy to Customize. Use **ezpunch** to get the most out of time tracking. Select your time zone to maintain consistency, choose which day begins the workweek, and set thresholds for overtime hours and pay. **ezpunch** adapts itself to fit the needs of your store, because you shouldn't need to change to fit your software.

Easy to Buy. **ezpunch** is based on the number of employees in your organization with rates starting at \$17/month or \$187/year. Subscribe to **ezaccess** service for a hassle free gateway to support, software updates, and technology services. We are a full-service Point of Sale provider, and gladly offer custom quotes to fit your store's needs.

Easy to Try. Trying **ezpunch** has never been easier. Visit ezpunch.systemswest.com for more details on what our time-tracking software can do for you. We are pleased to offer you a free demonstration account. Contact us at (800) 728-7099 to try it out now.
