The Affordable Solution for Your Retail Store

perennial Point-of-Sale is your retail store's retail POS companion. As one of the most cost-effective solutions on the market today, **perennial** is used by thousands of stores just like yours to track inventory, maintain customer histories, and make sales. With **perennial's** simple user interface and variety of features, it has never been easier to start or upgrade your retail store.

Easy to manage. As a **perennial** user, keeping track of your inventory and customers is effortless. With little training, you'll have all of **perennial's** features at your fingertips. You can make sales quickly and efficiently. Webcam integration allows you to store images of your inventory, customers, and employees. Identification has never been easier. Simple labels and logical button layouts give **perennial** a natural feel that will be appreciated by users at any level of computer expertise.

Easy to expand. Start with a single, stand-alone computer, or use **perennial** on all the systems in your store! You'll be able to access all of your information from every **perennial** workstation, instantly.

Easy to understand. Extraordinary reporting features condense your store's workings into simple, easy-to-read fact sheets. These reports can be customized to give you an overview of your store's performance, or narrowed down to provide you with in-depth sales information over a particular day.

Easy to enhance. Two low-priced packages ensure you're getting the best fit for your store. **perennial** Basic comes with everything you need to run a retail store, and **perennial** Pro adds helpful features like enhanced reporting, accounts payable, and more! And what's more, **perennial MultiStore Manager** will let you gather your store data from one central location to help you see profits. If **perennial** Pro doesn't have all the features you need, upgrade to our more advanced **ezpos** – the retail software that runs your store.

Easy to buy. Packages for **perennial** start at under \$100. What's more, **ezaccess** service will provide you with a gateway to support, software updates, and technology services. Visit ezaccess.systemswest.com for details. We are a full-service Point-of-Sale provider, and gladly offer custom quotes to fit your store's needs.

Easy to try. **perennial** POS is the best, most affordable retail Point of Sale solution for your store. Try **perennial** for free! Visit perennial.systemswest.com and Try It Now!
